Scowcroft & Associates Desert Training Event

You are cordially invited to attend a Scowcroft & Associates training and presentation event on Friday, March 28th, 2008 at the Sheraton Crescent Hotel in Phoenix, Arizona.

DALI Loudspeakers will be demonstrating the full line of Concept, IKON, Mentor and Helicon products, including all In-Wall products, and the extraordinary new Motif's and Mentor On-Walls.

Richard Gray's Power Company will be on hand showing their tremendous line of power products, including the new 600RM.

Projectiondesign will be showing their full line of Aviello projectors,

SI Screens will be demonstrating their new Black Diamond screen.

B&K will have on-hand their CT Series receivers, and new Ref-70 preamp

Meet factory personnel, and get technical training on their entire line. This is a great opportunity to listen to all the models, gain some valuable knowledge, and get away from the cold and snow, unless you live in Arizona already!

Scowcroft & Associates will pay for your hotel, meals and transfers for Thursday and Friday. All you need to do is plan to arrive on Thursday afternoon, March 27th. Plan on departing Saturday the 29th, or maybe stay an extra day for some golf, sitting by the pool, or hiking through the desert.
